

# Child Care Foster Bridge Program

The **Child Care Foster Bridge Program** was created to provide support for resource parents, child care providers and care givers in meeting the needs of foster children in our community. From immediate child care needs to ongoing support and training, this program is here to assist you.

## THE CHILD CARE FOSTER BRIDGE PROGRAM PROVIDES:

A **Child Care Navigator** who will help families find a child care provider and develop a long-term plan.

**Emergency child care vouchers** to help pay for child care.

**Resources and training** to aid child care providers as they care for foster children.
