

# DO YOU NEED HELP PAYING FOR CHILD CARE?

If you are low-income, in need of a child care subsidy and/or looking for financial assistance with child care, this list identifies subsidized child care programs in Humboldt County that receive funding from the California Department of Social Services or California Department of Education. Please review the program information below to identify the location, hours of service, and ages served in order to meet the needs of your family.

## Changing Tides Family Services

### Subsidy assistance available for:

- Children ages 0 to 13 years
- Children with active IEP can be served to age 21
- Available schedules: part time, full time, evenings, weekends
- Child care services offered throughout Humboldt County

### Family Child Care Home Education Network

- Parent selects from a network of licensed family child care home providers that have agreed to provide enhanced early education services and free meals/snacks to enrolled children
- Additionally, concurrent enrollment in Early Head Start-Child Care Partnership will be offered to qualifying families

### Alternative Payment and CalWORKs Stages 1, 2 & 3

Parent selects child care provider (some restrictions apply):

- Child care centers, and/or
- Licensed or license exempt family child care homes

### Emergency Foster Bridge

- Families are referred by Child Welfare Services
