

MENTAL HEALTH SUPPORT SPECIALIST

POSITION PURPOSE (DEFINITION)

Under general supervision provides support to children, youth and families in a variety of settings including home, school, and community; provides 1:1 behavior coaching in a home, school or community setting; provides referral and linkage to community resources; provides parent education and support as directed; performs related work as assigned.

ESSENTIAL DUTIES

- Provides a variety of services as outlined in a child or youth's Individual Educational Plan or Mental Health Treatment Plan; may participate in the development of such plan.
- Provides 1:1 behavioral interventions for children and youth in home, school and community settings
- Provides time-structuring activities, appropriate time out strategies, and immediate behavioral reinforcements.
- Provides cognitive behavioral approaches, such as cognitive restructuring, use of hierarchies, and graduated exposure.
- Assists the child/youth to engage in, or remain engaged in, appropriate activities.
- Assists in developing the child or youth's ability to sustain self-directed appropriate behavior, internalize a sense of social responsibility, and/or enable participation proactively in community activities.
- Assists, teaches, and mentors the child, youth and family in order to meet the child or youth's needs in the following areas: daily living skills, social skills, grooming and personal hygiene skills, medication compliance, and support resources.
- Encourages, teaches, and mentors recreational and leisure activities within the family to support the child or youth's growth and development; fosters social skills to enable the child or youth to maintain healthy peer relationships.
- Monitors, supports, and assists the child, youth and family on a regular basis in developing and maintaining the skills required to achieve self-sufficiency; arranges for money management and educational, socialization, parenting skills, rehabilitation, health and other social services in order to meet the child or youth's needs.
- Teaches, demonstrates, and reinforces positive parenting techniques on an individual or group basis to improve the child or youth's functioning in the home, at school, and in the community.
- Ensures safety of child or youth at all times during the provision of services.
- Links the child, youth or family to needed medical, educational, social, prevocational, vocational, and rehabilitative resources and other needed community resources; may provide transportation for children, youth or family members on a limited basis.
- Accurately and efficiently documents all work performed using templates as provided by Changing Tides Family Services; submits billing documentation in accordance with administrative directions
- Participates in required professional development activities, which may include individual supervision and group supervision
